

AUDLEM PUBLIC HALL

(Registered Charity 519458)

EQUALITY & DIVERSITY POLICY

Approved by the Management Committee on 15th March 2017

This policy is to be reviewed at the first Management Meeting after every AGM or earlier if necessary

The constitution of Audlem Public Hall states that the *“object of the charity shall be the provision and maintenance of a public hall for the use of the inhabitants of the parishes of Audlem, Buerton and Hankelow, and the neighbourhood thereof, without distinction of political, religious or other opinions, including use for meetings, lectures and classes, and for other forms of recreation and leisure-time occupation, with the object of improving the conditions of life for the said inhabitants”*

Equality means treating everybody fairly and respecting individuals’ needs. Diversity is recognising that no two people are alike and that the distinctions between people should always be respected. The policy of Audlem Public Hall Management Committee is to fully support the object of the charity, and to promote accessibility, participation and equality of opportunity in the community’s use of the Hall.

Responsibilities of Audlem Public Hall Management Committee

To promote equality and diversity in our organisation we will:

- Encourage, value and manage diversity and to promote equality of opportunity in all areas of its work and structure, and will take positive action in the areas of employment and volunteering, representation, membership and service provision.
- Recognise that many people in our society experience discrimination. It is our policy that no person or group of people should suffer oppression or lack of opportunity because of their gender, race, nationality, disability, sexuality, age, HIV status, class, geographical location, trades union activity, marital status, political activity or religious activity.
- Believe that all forms of discrimination are unacceptable, regardless of whether there was any intention to discriminate or not.
- Aims to provide an environment where all employees, volunteers, members and service users at all levels are valued and respected and where discrimination and harassment are not tolerated.
- Recognise that The Equality Act 2010 identifies people who have an attribute defined as a ‘protected characteristic’ and prohibits discrimination against them by reason of that attribute.

The characteristics that are protected by the Act are:

- Disability
- Age
- Gender reassignment
- Marriage and civil partnership
- Pregnancy and maternity
- Race
- Religion or belief
- Sex
- Sexual orientation

Definitions

‘Equality’ means understanding and seeking to remove the different barriers to equal opportunities for different groups of people.

‘Discrimination’ is acting unfairly against a group or individual through actions such as exclusion, verbal comment, denigration, harassment, victimisation, a failure to appreciate needs or the assumption of such needs without consultation.

The term ‘disability’ applies to a person who has a physical or mental impairment that has a substantial and long-term adverse effect on their ability to carry out their normal day-to-day activities.

‘Race’ includes ethnic or national origins, colour or nationality.

The Equality Act 2010 is the statute replacing previous anti-discrimination laws. It applies to all organisations that provide a service to the public, sell goods or provide facilities, irrespective of whether they charge for them.
